

# Kaikavian Renaissance

Who, what and why in six steps.

# Who we are ?

- a think and do tank
- not a classic NGO

# Where are we active ?

- at the intersection of culture and society
- on inter/national and regional levels
- with focus on Croatia

# What are we doing ?

- changing people's minds to the better

# How are we doing it ?

- making people aware of cultural values
- developing neglected cultural assets

# Why are we doing it?

- because culture is energy of society
- to shape a better society in Croatia

# Who are our members & supporters ?

- people who share & embody our vision
- distinguished academics
- leading university professors
- artists
- internationally acknowledged specialists
